

Cancellation and Failure to Attend Policy

Cancellations at short notice and non-attendance without a valid reason denies patients of essential dental care and treatment. To help to reduce possible price increases and decrease waiting times for appointments, we have a cancellation and failure to attend policy.

We respectfully ask for 1 working days' notice to cancel an appointment. An appointment cancelled with less than notice will be considered as a failed to attend appointment.

We reserve the right to refuse further treatment to patients who fail to attend two consecutive appointments or two late cancellations.

We understand that cancellations are sometimes unavoidable due to illness or emergencies and will of course take account of all individual circumstances.

In the event of a cancellation, we will endeavour to fill the time allocated to you with another patient. We reserve the right to charge for any time subsequently lost as a result of a late cancellation or failure to attend. Such appointments will be charged at £44 per 15 minutes missed.

England and Wales: We do not charge NHS patients for a late cancellation or missed appointment. We reserve the right to refuse booking further appointments following failure to attend two consecutive appointments or two late cancellations.

Appeals for missed or cancelled appointment decisions can be made by writing to Caitlin Deadman by email: caitlin@downhouse-dental.oc.uk or in writing to 17 Church Street Steyning West Sussex BN44 3YB.

Appointment Reminders

At Down House we send appointment reminders before an appointment. Please inform the practice of any changes to your contact details as soon as possible.
